Your Invitation to Attend the Launch of our Model School Campaign

Dear {{ contact.FIRSTNAME }}

At our Strawberry Social in June I announced that one of our goals was to get the next generation excited about participating in PACE, as we all were some 30+ years ago (and still are).

In order to do this we need your help in passing along the message to your children, grand children, young family members, friends, and colleagues at work.

We have created an exciting event that they will want to attend and to be part of the historic launch of our "Model School" program.

How wonderful it would be 30 years from now to be able to say "I was there" and have the photos to prove it.

The Model School project is designed to help the most needy Basic Schools increase their level of ECC Certification to over 50%. Our goal is to help 200 of these schools over the next 4 years.

Our launch takes place at Maracas, the sensational new Caribbean restaurant in the heart of Kensington Market. The dynamic Shane Free will perform on guitar for our musical entertainment.

Of course all of our long time supporters are welcome to attend, and we look forward to seeing you along with your youths.

With Thanks
Diana Burke
President, PACE Canada
