President's Message

So glorious that Fall is here ...Can you feel the nip in the air? It's that time when people begin to get more serious and begin planning and thinking about their goals and their giving as Christmas is approaching

"Every mickle mek a muckle"

This is a well-known Jamaican phrase and it is really true. Every little bit helps and if we all give together it all adds up. Won't **you** take this opportunity to contribute your "muckle".

YOUR contribution will support PACE adopted basic schools in Jamaica. The need is great and PACE Schools are located in the most challenging neighbourhoods with few resources in their communities.

There are not many amenities but there are parents who want the same things that all parents want for their children:

- Opportunities for them to play, to learn, to be challenged and to have a safe place to do so...
- Dedicated teachers are in full supply
- Caring Parents are in abundance

- Children willing to learn. They are ready. Are you ready?

Your contribution (Over \$20.) is tax deductible.
