Dear {{ contact.FIRSTNAME }}

We are extremely excited to announce that our annual Social will be held at a new location, Old Mill in Toronto. **Save the date** and **watch this space** for more details.

I'm sure, like me, you are concerned with the truly disturbing events that started the 2020 decade. We have been faced with cyclones, wild fires, plane crashes, earthquakes and impeachment to name a few. However, I prefer to focus on the positive actions that we hope will benefit our future through education and support for our children, who are critical to our future success.

Our Board Members from **George Brown College, Colette Kane** and **Gail Hunter** were recently in Jamaica and visited the schools to get a first-hand assessment of their needs.

An international cast of diplomats, scholars and political figures launched the Canada-Caribbean Institute in Kingston, Jamaica.

Dr. Fearon has helped directly energize the new Institute by personally contributing to funding the new Dr. Gervan Fearon Scholarships. Starting in September 2020, these will be awarded annually to graduate students studying Canadian Caribbean issues at Brock. The scholarships will be awarded to a student or students from Canada one year, and a student from the Caribbean in the alternating year.
